

# John Felker Joins NetCentrics' Advisory Board

*Former Assistant Director of CISA Brings 30-Year Perspective on Cybersecurity and Intelligence Strategy*

HERNDON, VA, UNITED STATES, November 1, 2021 /EINPresswire.com/ -- [NetCentrics](#), a leader in the technology-driven cybersecurity space, announced that [John Felker](#), former Assistant Director for the Cybersecurity and Infrastructure Security Agency ("[CISA](#)"), has joined its Advisory Board.

"John brings unparalleled cybersecurity experience and we welcome him as an advisor," says Kenneth Cushing, NetCentrics' CEO. "NetCentrics is in a hyper-growth phase and John's insights will be invaluable as we continue to expand our position as the leading-edge technology provider to government, military, and private sector clients. In today's world, cyberattacks continue to become more advanced and frequent. It is imperative that all organizations – big and small – stay several paces ahead with cutting-edge and secure technology. No one understands this reality more than John."

John Felker

Mr. Felker is a renowned leader in the field of cybersecurity with a distinguished 30-year career in both the public and private sector. He is President of Morse Alpha Associates, a cyber leadership consultancy, and serves as a member of the Parsons Corporation Senior Advisory Board, Executive Director for Cybersecurity at Seebald Group International. He is a Senior Advisor to the Chertoff Group, the Maritime Transportation System ISAC, and S-RM, an international cyber intelligence, response, and resilience company.

“

The NetCentrics team deploys their deep expertise and innovative solutions to help clients be best prepared for not only today, but also tomorrow. I look forward to joining this talented team.”

*John Felker*

In addition, Mr. Felker is the former Assistant Director for Integrated Operations for CISA and previously, served as the Director of the National Cybersecurity and Communications Integration Center. Prior to joining CISA, Mr. Felker worked as Director of Cyber and Intelligence

Strategy for HP Enterprise Services. He also held the positions of Deputy Commander, Coast Guard Cyber Command; Commander, Coast Guard Cryptologic Group; Executive Assistant to the Director of Coast Guard Intelligence; and Commander for the Coast Guard cutters CAPE UPRIGHT and RED CEDAR.

NetCentrics

Mr. Felker commented: "NetCentrics has become a trusted technology partner to organizations across defense and homeland security domains. With digital attacks impacting more businesses on a global basis, companies and federal agencies need to safeguard their infrastructure and information. The NetCentrics team deploys their deep expertise and innovative solutions to help clients be best prepared for not only today, but also tomorrow. I look forward to joining this talented team in their exciting next chapter of growth."

In October, Kenneth Cushing joined the company as Chief Executive Officer. In addition, NetCentrics won Best Work-Life Balance Award from Comparably, a workplace sentiment site evaluating businesses nationwide. NetCentrics is a portfolio company of Cerberus Capital Management, L.P., a global leader in alternative investing.

## About NetCentrics
