

# Rock & Roll Hall Of Fame, Journey Member Jonathan Cain Releases Oh Lord Lead Us EP

*Inspired EP Invites Prayer, Renewal, Commitment;  
Pure Flix Features Cain, Selects "Oh Lord Lead Us" As Theme Song For New Show*

NASHVILLE, TN, UNITED STATES, October 29, 2021 /EINPresswire.com/ -- Rock & Roll Hall Of Fame inductee and Journey band member [Jonathan Cain](#) globally releases his six-song EP, [Oh Lord Lead Us](#), today (Oct. 29) from Identity Records with The Fuel Music distribution. The EP precedes Cain's upcoming and sixth solo album in as many years (release date to be announced) and continues this iconic artist's offerings of faith-inspired new music.

Following the release of his biggest solo hit to date with the title track "Oh Lord Lead Us," which was featured by American Songwriter, The 700 Club, ABC Audio, Worship Leader, Ultimate Classic Rock and many more, Cain's new EP is a beautifully crafted musical invitation to prayer, renewal and commitment.

"It's not just 'I go to church,' it's a love exchange, a love surrender," shares Cain, who leads worship weekly at City Of Destiny where his wife, Paula White-Cain, is the Senior Pastor. "We have a 24/7 God, and every year we need to reestablish a covenant with our faith and recommit with praise, worship and prayer. The more you can commit, the more blessed you will be."

Cain, who is earning his pilot's license, likens it to flying an airplane. "You can't just halfway be a pilot, you have to be all in."

Sharing his personal faith story along with new music in December on the debut episode of the

Pure Flix show, "Rockin On Heavens Door," Cain's "Oh Lord Lead Us" will also serve as the show's theme song, opening each episode that is set to feature other well-known musical guests.

In addition to the title song, Oh Lord Lead Us includes "Something Greater," named after and inspired by his wife's acclaimed book, and the [American Songwriter-premiered](#) "Beautiful Thunder."

"There's a conversation going on up there as sound waves roll across the land," thought Cain as he watched a recent storm near his home in Florida.

"You can feel the earth shake, the ground beneath your feet rolling. It's one of the only places you can see power like that. This is a way that God can get to us, how He got to me. Next time people hear a thunderstorm, I hope they think of this song."

“

It's not just 'I go to church,' it's a love exchange, a love surrender. We have a 24/7 God, and every year we need to reestablish a covenant with our faith and recommit with praise, worship, prayer."
