

# Ulatus Launches Professional Interpretation Services

*The leading language solutions provider establishes an efficient and seamless communication channel for their clients to help them achieve their business goals.*

NEWARK, NEW JERSEY, UNITED STATES OF AMERICA, November 9, 2021 /EINPresswire.com/ -- [Ulatus](#) has launched [Professional Interpretation Services](#) to provide organizations and individuals with various interpretation services for coherent communication that helps them easily communicate their business goals, regardless of the language barriers.

Having established a firm position in the language industry over the last 15 years, Ulatus has added to its team of qualified and experienced linguists and will now provide interpretation services in 50+ languages for pre-recorded media and live sessions. The translation brand currently employs over 2,000 linguists worldwide for its regular operations.

“

Entering the professional interpretation market was only the next obvious step, and we're looking forward to establishing ourselves with the same trust that Ulatus is known for”

*Shilpa Mittal, CEO, Ulatus*

Ulatus will provide all popular types of interpretation services: On-Demand Interpretation that leverages cutting-edge technologies to provide uninterrupted services, 24/7; Remote Interpretation to ensure a smooth transition from the speaker to the translated language during virtual events; On-Site Interpretation where an interpreter will be present at the venue and provide in-person interpretation;

and Custom Interpretation to devise a service as per the client's specifications.

Shilpa Mittal, CEO, Ulatus said, “One of our core principles is to enable organizations to transcend regional boundaries. We've already had the capability to provide high-quality interpreters for some time now. Entering the professional interpretation market was only the next obvious step, and we're looking forward to establishing ourselves with the same trust that

Ulatus is known for.”
