LOS ANGELES, CALIFORNIA, UNITED STATES, October 29, 2021

[/EINPresswire.com/](https://EINPresswire.com/) -- BG Scott is a young artist who has just released his new album, '[Leap of Faith](#)'. So aptly titled, this composition is a breakthrough for this creative genius. The first product he has released ever since arriving in Los Angeles in July, BG Scott claims that his musical work has experienced a lot of growth in the past few months. Unsurprisingly, listeners have a lot of expectations from the artist's work. The musician extends his warm thanks to Taha Beats and thxluke, who produced and mixed the EP alongside him. The credits for vocals only go to BG Scott, however.

BG Scott - Leap of Faith

'Leap of Faith' is a composition that paints the picture of risk and reward. Dealing with coming of age and adult life, the content of this album will be highly relatable to all the young adults out there. BG Scott's powerful and energetic vocals and strong accent are bound to garner the listener's attention till the very end. Thus, it isn't surprising that 'Leap of Faith' is becoming increasingly popular among young adults.

Scott's music is all about carving out one's own desired paths, displaying spirit and energy characteristics only to young people. The artist's work is driven by the aim to forge one's journey, and it is a philosophy we also see in his music. Only twenty years old, Scott started dabbling in music with his brother, who goes by SpaceCoupe. Five years later, he is now recording on his own and making his timeless sounds available to the world to enjoy and experience.

BG Scott's new EP, as well as past releases, are available on all major platforms. Additionally, he can be contacted on his social media accounts and email for feedback and business inquiries.
