About Luxe Rose

Luxe Rose was founded out of a love of beauty & design. We also realized that a key element of practicality in a floral gift was missing "luxury long lasting roses". We are very passionate about creating elegant pieces, incorporating artisan products, and sustainability. We wanted our gifts to become something that can be enjoyed as home decor.

Our hectic, lifestyle led us to believe we could give our customers the flexibility of enjoying a gift that can be displayed and admired in any space, but also be utilized for different means in the future.

While trying to make this experience as perfect as possible, we decided there is no better way than to make a luxury rose gift effortless. Therefore, we invite you to enjoy our flowers once they arrive, simply take display it anywhere in your space.

As with any of our luxury rose gift boxes, the "WOW" factor is guaranteed!
