About McKenna Camille

Actress, Singer, Model, and Mental Wellness Advocate McKenna Camille finds inspiration and healing through her craft. Writing and singing about personal topics from friendships, breakups, bullying, depression, anxiety, and even Obsessive Compulsive Disorder (OCD) are perhaps what make her lyrics so empowering and relatable.

Growing up on a lake, McKenna took an interest in slalom water skiing as well as show/trick skiing, which she does in her free time. While being a student at NYU Tisch, McKenna uses her social media and music to advocate for mental health awareness and anti-bullying.
