notch piece of clothing so that he makes the entire design from sketching out a new design for fashion apparel/accessories to deciding which type of fabric to use and manufacturing plan. They manufacture various clothing and accessories that appeal to fashion lovers. They have creative ranges product collections including ladies' handbags, Shorts, swimwear, jumpsuit, and jogger sets, hoodies, men's collection such as shorts, sneakers, running shoes, hoodies, and so on.

They announced that, they will provide up to 50% discount on all products. They have revealed the features of ladies' cotton pullover hoodies which is a special collection for 2022.

#### Warmness:

The pullover hoodie is always warmer than zip-up hoodies and fits every casual outfit in winter. They used Cotton to produce hoodies because Cotton comes from natural fiber which is considered the most popular material to make hoodies comfortable that suit all seasons. This high-quality cotton provides excellent warmth, cozy and dry because of its moisture-wicking properties.

#### Great Stretch:

They added 5 % spandex in a hoodie for stretch and flexibility which allow you to feel lightweight, comfortable to wear. They said that " it has the great elasticity to move body easily. This hoodie traps the moisture in the cold that ensures a warmer feel in cold.

#### Colors and sizes:

Roovet Ladies' cotton Pullover Hoodies are available in 5 excellent colors including pink, black, red, blue. The three-fourths long sleeve hoodie with stripe pocket and knee-length pullover hoodie. The standard sizes for ladies according to US women's letter between small and large.

Furthermore, the biggest opportunity for hoodies is suitable for every space of wearing from jogging, running, dating, sporting. A nice pair of sneakers and trousers will add winter fashion better formed.
