A gazebo should not be mere eye candy on the property. It is an outdoor space where family, and friends should spend time and create wonderful memories that will cherish in years to come. If harmful UV rays, cold, or rain is pushing to stay inside more, we can build the perfect solution for those problems: beautiful retractable gazebo screens featuring our latest styles. Combined with over 25 years of industry experience, Bravo Screens have redesigned PATIO RETRACTABLE SCREENS using the highest quality materials and components to create a product second to none.

Bravo Patio Motorized Retractable Screens glide smoothly and smartly bringing the best of outside – inside. Providing breezy cross-ventilation and expanding space, the retractable screen blocks the sun's rays, as well as insects and dirt. When not in use, it glides away into a slim, self-protective casing. A refined, elegant solution for patios, lanais, decks, sun porches, sliding patio doors, and so much more. See our wide selection of favourite colours, styles, screen textures, UV filtering; our professional installers will custom install them to gazebo.
