*“Eric Gang, Founding Partner at Gang & Associates, announces the new location will open in Puerto Rico on November 1, 2021.”*

PUERTO RICO, UNITED STATES, November 1, 2021 /EINPresswire.com/ -- Gang & Associates, premier Veteran Disability Law Firm, announces that it is opening a new office in Puerto Rico to address the need of veterans living on the island. Plans to develop operations in Puerto Rico started when veterans on the island expressed unhappiness with their treatment from law firms outside of Puerto Rico. Men and women of Puerto Rico have served in the U.S. military since the Revolutionary war; this is why their voices need to be heard. Instead of only virtually, the new office will allow Gang & Associates to interact personally with veterans in Puerto Rico.

Gang & Associates opens Veterans Disability office in Puerto Rico

Gang & Associates has represented veterans on the island since 2007. Most notably, while representing Hermogenes Marrero, the star witness in the Vieques class-action lawsuit against the Federal government. Gang & Associates secured veteran benefits for Marrero, making him the first veteran granted benefits due to military activities in Vieques. It was the first time the Federal government recognized the impact on human health due to the Naval activities on the island of Vieques.

The opening of Gang & Associates’s new Puerto Rico office is an essential step towards realizing our goal of helping as many veterans as possible through education and legal counsel. The new office will be the first of many significant changes for the firm.
