

ITsavvy Announces New VP of Advanced Solutions Group

ITsavvy just announced Bill Santos as its new vice president of the world-class Advanced Solutions Group (ASG).

ADDISON, ILL., U.S., November 2, 2021 /EINPresswire.com/ -- [ITsavvy](#), one of the fastest growing complete technology solution providers in the U.S., just announced Bill Santos as its new vice president of the world-class Advanced Solutions Group (ASG). At ASG, Santos has top-line responsibility for the implementation and support of ITsavvy's technology solutions and services. He also manages the integration of planned acquisitions, building a continuously expanding portfolio of client-centric solutions.

Working with ITsavvy President and COO Munu Gandhi, Santos has made it a top priority to build on a collaborative, empowering team culture that will further enhance the client experience.

“

Bill has a strong technical and services background that supports his outstanding ability to create and develop high-performing teams that deliver growth.”

“The key to helping an organization accomplish something groundbreaking is starting from a place of personal and shared trust,” Santos said. “The best way to build trust is to clearly share information and take ownership of every effort. Success in a vacuum is no success at all.”

Santos has more than 30 years of expertise in sales and services deployment and delivery with IBM, SHI, Hosting.com and Stelligent. In a previous position, Santos led the integration of seven acquisitions, growing revenue from under \$2M to over \$12M in less than two years. Santos holds a BS and MS in Computer Science and Engineering from MIT. He and his wife Jackie have three

children.

"I'm excited that Bill has joined our leadership team," Gandhi said. "He has a strong technical and services background that supports his outstanding ability to create and develop high-performing teams that deliver growth."
