

# Marcelle Poirier, Top EB-5 Attorney, to Discuss Direct Investor Source of Funds for Canadian and European EB-5 Investors

NEW YORK, NEW YORK, UNITED STATES OF AMERICA, November 1, 2021 /EINPresswire.com/ -- [EB5 Affiliate Network](#) (EB5AN), a leading EB-5 investment fund manager, regional center operator, and consultancy firm will host a [live webinar](#) on Thursday, November 4, 2021, at 2:00 PM EDT, to discuss how to approach the direct EB-5 investor source-of-funds process for Canadian and European EB-5 investors, particularly investors from France. EB5AN founders and managing partners Sam Silverman and Mike Schoenfeld will be joined by expert immigration lawyer Marcelle Poirier of the Law Firm of Marcelle Poirier, a leading EB-5 focused immigration law firm.

“The current opportunity for direct EB-5 investment at \$500,000 may not last long,” said Silverman. “Those foreign nationals looking to immigrate to the United States should act quickly to take advantage of the lower investment threshold. Successfully navigating the source-of-funds process is vital to a successful immigrant petition. This process presents a specific set of challenges for potential Canadian and European investors that no one is more qualified and experienced to handle than Marcelle Poirier”

While it is clear that USCIS wants higher minimum investment amounts, it is unclear exactly when direct EB-5 investments might return to the \$900,000 minimum.

Silverman emphasized that investors shouldn't wait. “Anyone thinking of making an investment needs to take steps now to get their funds in place and begin the source-of-funds documentation process. The window of opportunity to [invest at \\$500,000](#) is closing even faster than many had guessed. Time is short.”

Interested investors should attend the webinar on November 4. Enquiries should be sent by e-mail to [info@eb5an.com](mailto:info@eb5an.com).
