entrepreneurs, CEO’s and Founders of compelling companies and can now be seen on Binge Networks TV as a featured show. The DotCom Magazine Show has already been selected as a Trending Now channel on Binge Networks TV, and the DotCom Magazine Show is in discussions to further expand it digital footprint through additional television syndication opportunities for this must watch show.

Andy Jacob, CEO of DotCom Magazine commenting on the news stated, "We are laser focused on making DotCom Magazine's powerful content available to target audiences at scale. We are working with the strongest steaming broadcasting partners like BINGE that will allow us to meet the market demand for these important entrepreneur interviews where CEOs and Founders share their company stories and their entrepreneurial journeys. Jacob continues, "We have been so fortunate to interview so many high-profile CEO's and Founders. There is so much to learn from great entrepreneurs, and we are so excited about our partnership with Binge Networks and to be able to make these very popular entrepreneur interviews available to a worldwide audience. Our partnership with Binge Networks allows us to reach 1.1B OTT video viewers worldwide and reach the 65% of consumers that stream content to their TV. Smart TV usage is skyrocketing with a 49:51 male vs. female ratio, a median age of OTT users of 18-54, and income levels \$50K-\$150K.

Binge Networks, a media company will enable and empower DotCom Magazine to further present and distribute their unique product across a series of digital media platforms, including Apple TV, ROKU, Amazon Fire Stick, and many others. Through its partnership with DotCom Magazine, Binge Networks will seek to continue to build upon its mission to provide viewers with some of the finest independent media content available today.
