One of the reasons for the growth of the construction equipment market is rise in popularity of robust and compact equipment. The adoption of compact construction equipment has gained popularity in recent years, due to their easier maintenance, movability, and similar performance as heavy construction machinery. Moreover, unlike heavy machinery, compact construction equipment does not necessitate certified & skilled workers and are considerably easier to operate. Further, lower costs of the compact equipment boost their adoption in end-user industries.

Key Benefits for Stakeholders:

The report provides an extensive analysis of the current and emerging construction equipment market trends and dynamics. The report also provides construction equipment market size from 2019 to 2027.

In-depth construction equipment market analysis is conducted by constructing estimations for the key segments between 2019 and 2027.

Extensive analysis of the market is conducted by following key product positioning and monitoring of top competitors within the construction equipment market framework.

A comprehensive analysis of four major regions is provided to determine the prevailing opportunities.

Construction equipment market forecast analysis from 2019 to 2026 is included in the report.

Key market players operating in the market are profiled in this report and their strategies are analyzed thoroughly, which helps understand the competitive outlook of the construction equipment industry.

Key Market Players

AB Volvo
Caterpillar Inc.
CNH Industrial N.V.
Deere & Company
Doosan Infracore Co. Ltd.
Hitachi Ltd.
J C Bamford Excavators Ltd.
Komatsu Ltd.
Liebherr-International AG
Xuzhou Construction Machinery Group Co., Ltd. (XCMG)

Key Market Segmentation

By Solution Type

Products
Services

By Equipment Type

Heavy construction equipment
Compact construction equipment

By Type

Loader
Cranes
Forklift

Excavator
Dozers
Others

By Application

Excavation & mining
Lifting & material handling
Earth moving
Transportation
Others

By Industry

Oil & gas
Construction & infrastructure
Manufacturing
Mining
Others

By Region

North America
Europe
Asia-Pacific
LAMEA
