

# Aspire Technology Partners Earns Americas Webex Rising Star Award

*Technology Solution Provider Recognized for Delivering Customer Success*

EATONTOWN, NJ, US, November 3, 2021 /EINPresswire.com/ -- [Aspire Technology Partners](#) has been recognized with the prestigious [Webex Customer Experience Partner](#) - Americas Rising Star Award at the recent WebexOne 2021 conference. The Rising Star Award recognizes partners who have demonstrated standout performance in their respective regions, displaying remarkable growth in embracing and championing cutting-edge collaboration technology.

Their investments in Advanced Customer Experience and advanced IoT specializations, combined with collaboration initiatives focused on remote and hybrid work, have generated tremendous success in the state, local, and education IoT and healthcare verticals. One of Cisco's top collaboration partners in the SLED space, Aspire has designed and deployed innovative healthcare use cases, and secured key collaboration wins to serve state agencies and education institutions.

"This award reflects the commitment of the Aspire team to providing our customers with the tools they need to succeed and transform their business," said John L Harris, President & CEO of Aspire. "Our Customer Success team brings their experience in collaboration to the forefront. We thank Cisco for their recognition and strong partnership."
