"I am committed to the principles of service, integrity and professionalism while providing our valued clients the highest quality of service with the goal of exceeding their expectations, which the We Insure model excels at."

Chief Development Officer Chris Pflueger agrees, adding: "We Insure has cultivated relationships with all of the top insurance carriers so that agents like Neha can give customers the ultimate insurance experience."

We Insure is experiencing high demand from entrepreneurs for its innovative franchise insurance offering. The Florida-based company was created by a former captive agent with a mission to tackle the insurance industry's biggest challenges. Philip Visali, CEO of We Insure, accomplished this by bringing together the best in choice from independent agencies along with

the superior back-end support of captive models. Ten years later, We Insure has partnerships with the top carriers, and more than 100 total markets, to provide its customers with the ultimate experience of choice and lower rates. The company has deeply invested in state-of-the-art support systems and IT infrastructure to provide agents with seamless servicing so they can focus on developing customer relationships.

We Insure was recently identified by independent research firm Franchise Business Review (FBR) as one of the Top 100 Low-Cost Franchises in 2020 and as one of the Top 200 Best Franchises to Buy in 2020. FBR's recognition was based on franchisees' satisfaction and performance rankings.
