

Pluto7 Announces Strategic Partnership with Informatica to Offer Cloud-Ready Data Transformation

MILPITAS, CALIFORNIA, UNITED STATES,

November 4, 2021 /EINPresswire.com/

-- [Pluto7](#) today announced a strategic partnership with [Informatica](#), an enterprise cloud data management leader, to provide a combined solution for end-to-end cloud data management. Pluto7 is a tech-enabled solutions and services company that ignites digital transformation across Supply Chains using AI/ML. With Informatica's robust and inventive data

ingestion capabilities, Pluto7 is able to build upon their ML solutions with ease allowing for more streamlined connectivity so that customers can accelerate their digital transformation journey all while minimizing risk.

“

We are glad to be offering a robust solution and services ensuring high reliability and lower data pipeline maintenance costs with the efforts of Informatica's hybrid-cloud data management expertise.”

*Manju Devadas, Founder &
CEO, Pluto7*

“The Informatica partnership with Pluto7 allows our solutions to bring in data from various sources in multiple formats into the data foundation for advanced AI for our domain-specific use cases,” said Manju Devadas, Founder and CEO of Pluto7. “Our mutual customers can continue to leverage and grow with Informatica as their data expands and we are glad to be offering a robust solution and services ensuring high reliability and lower data pipeline maintenance costs with the efforts from Informatica's hybrid-cloud data management expertise.”
