

Hiland Dairy Names Jeanine Suskind to Corporate Operations/Quality Assurance

The dairy industry veteran is centered on meeting corporate goals set for quality, safety, and productivity.

SPRINGFIELD, MISSOURI, UNITED STATES, November 4, 2021 /EINPresswire.com/ -- Jeanine Suskind was named to Corporate Operations,

Food Safety and Quality Assurance for [Hiland Dairy](#) in Springfield, Missouri. Suskind will work with leadership and operations to build and maintain an effective Food Safety and Quality culture within all 14 Hiland Dairy plants. Previously plant manager at Hiland's Kansas City plant,

“

Jeanine has demonstrated leadership and prompted positive change through her example, we look forward to her contribution at the corporate level of food safety and quality assurance.”

Greg Helbig, Director of Operations

Suskind successfully implemented safety programs, maximized labor efficiencies, and improved the OSHA DART rate. In addition, she was a member of the leadership team that won the prestigious Irving B. Weber Award. The award recognizes the dairy plants that have earned the highest annual scores from Quality Chekd in business leadership, quality, sustainability, customer/consumer satisfaction, employee safety, and personnel development.

"Jeanine has demonstrated leadership and prompted positive change through her example at our Kansas City plant," said Greg Helbig, Director of Operations, Hiland

Dairy, "We look forward to her contribution at the corporate level of food safety and quality assurance."

Suskind started her career in the dairy industry in 1989, beginning at Colombo Frozen Yogurt in Springfield and then serving 20 years with Dean Foods. She was a member of the Dean's start-up team for the new plant in Las Vegas. Suskind joined the Hiland team in May 2012 as plant manager of the Hiland Kansas City facility.

Jeanine has been married to her husband Gary for 22 years. Their son, Adam, joined the Marines and began basic training in October of this year.
