# BRIGHT APPS LLC ANNOUNCES NEW ARRIVALS IN TRAINING CENTER

Professional development and training in the Bright Apps training center

WALNUT CREEK, CA, UNITED STATES, November 8, 2021 /EINPresswire.com/ -- Bright Apps LLC has been providing innovative custom software development solutions to companies for decades. The core team consists of world class engineers with expertise in AI Solutions, BlockChain technologies, Quantum Entropy Security Solutions and many other cutting edge technologies. Specializing in disruptive technologies if you can dream it we can build it!

You can dream it, we can build it!

MindEdge

In collaboration with MindEdge Learning, Bright Apps LLC is announcing updates to their training center. The course selection has been chosen to reflect the expertise of the team. With the changing dynamics of the workforce we realize how unique and important the impact of sharing skills Bright Apps has in addition to being an established remote team.

"

We are excited to continue our work with MindEdge Learning and provide professional development opportunities."

Greg McGregor, CEO, Bright Apps LLC.

About MindEdge Learning
MindEdge is a learning house with four different doors. Inside these doors, the rooms of our house are all constructed with the same high-quality materials, expertly designed, and learner-approved. MindEdge's for-credit courses and student success products serve institutions of higher education.
MindEdge's mission is to improve the way the world learns. Since our founding by Harvard and MIT educators in 1998, we have served some two million learners.
