

# Mac Parkman Foundation to sponsor premiere U.S. Adventure Racing Team

*Partnership with Mountain Race Company to spread awareness of concussion-related mental illness and sports, while highlighting alternative activities for kids.*

ANNA MARIA, FLORIDA, USA, November 9, 2021 /EINPresswire.com/ -- [The Mac Parkman Foundation](#) announced that it would sponsor the well-known U.S. Adventure Racing team, Mountain Race Company to help spread awareness of the link between youth contact sports and mental illness.

“

We are honored to sponsor  
Mountain Race Company”

Adventure racing is one of the fastest-growing sports in America. At the elite level, coed teams of three or four races non-stop from start to finish. Using only a map and compass, the teams navigate to multiple checkpoints while mountain biking, paddling, running, and trekking across

extreme terrain. Competitions may be as short as a 4 hour “Sprint” or as long as a 10-day “Expedition” covering hundreds of miles.

“We are honored to sponsor Mountain Race Company”, the Foundation President, Mr. Bruce Parkman said. “Their reputation in the sport as serious competitors and their history as a top U.S. team in adventure racing events around the world will help us spread the word about the connections between youth contact sports and mental illness.”

Shane Hagerman stated, “We are grateful for the opportunity to represent the Mac Parkman Foundation. We look forward to showcasing Adventure Racing as an exciting alternative to contact sports and raising awareness of the signs and symptoms of concussive trauma in our youth.”

About The Mac Parkman Foundation for Adolescent Concussive Trauma

The Mac Parkman Foundation focuses serve as a source of information, resources, and communications to the community of parents, coaches/athletic trainers, medical staff, and athletes that are affected by sports-related concussions and to raise awareness of the long-term implications of concussive and subconcussive trauma to include Chronic Traumatic

Encephalopathy or CTE in our children. [www.mpfact.com](http://www.mpfact.com)
