EDGEWATER, MD, UNITED STATES,
November 11, 2021 /

EINPresswire.com/ -- HEADLINE: AI-Camera Leader VDO360 Offers End of Year Promotional Pricing on Most Popular PTZ Cameras and USB3.0 Extender; up to 25% Savings

VDO360, a manufacturer of cutting-edge and intelligent camera systems, announces it is offering special promotional pricing on its most popular PTZ cameras and USB 3.0 extender through 12/31/2021. This special pricing applies to all in-stock items.

“

Save up to 25% on our most popular PTZ cameras as we make space for our new AI-based cameras”

Pat Cassella

Products included in the end of year promotion include:

- [TeamCam](#) – reduction from \$299 to \$249

- [CompassX](#) – reduction from \$999 to \$749
- [Saber20x-NDI](#) – reduction from \$1799 to \$1499
- [AutoPilot-APX](#) – reduction from \$3545 to \$2836
- [AutoPilot-APU](#) – reduction from \$3745 to \$2996
- [Springline USB-3 Extender](#) – reduction from \$399 to \$299

“As part of our year-end inventory balancing, we need to make space for our new AI-based cameras” says Pat Cassella, VP of VDO360 Worldwide Channel Sales. “This provides a great opportunity for IT teams to upgrade meeting spaces and classrooms at a significant cost savings”.

The CompassX is their flagship PTZ camera with a 10x optical and 10x digital zoom, making it ideal for any size meeting space while the Saber20x NDI has native streaming built in. For applications that require auto-tracking, the AutoPilot is among the best in the industry with their PerfectTrack™ software.

While other camera and extender manufacturers have had supply chain

issues in 2021, VDO360 has had no delays in shipping and has gear in-stock, ready to ship. Throughout 2021 there has been strong demand for all products, especially their new AI-based auto-framing cameras, the NavAI and TridentAI.

VDO360 is a leading provider of intelligent cameras used in the UC space including their family of AI-based auto-framing cameras that were designed for applications where presenters are in repeated movement within their meeting environments, such as teachers, trainers, and dynamic meeting spaces.

VDO360 – Vision, Dedication and Outstanding value.
