

# Utilities Security Market Statistics: A Huge Opportunity For Investors by 2028

*Utilities Security market report provides a detailed analysis of global market size, regional and country-level market size, segmentation market growth, market.*

PORTLAND, OR, UNITED STATES,  
November 9, 2021 /EINPresswire.com/

-- Increase in security breaches and surge in government initiatives, such as Make in India, are expected to boost the [utilities security market](#) in the near future. However, lack of skilled labor is

anticipated to hinder this growth during the forecast period. Moreover, higher involvement of industry players in the utility sector to reduce carbon footprints is a major opportunity for utilities security market development.
