

# Openforce Appoints Doug Grawe as General Counsel

*Renowned transportation legal expert brings over 17 years of experience to Openforce*

PHOENIX, AZ, UNITED STATES,  
November 10, 2021 /

EINPresswire.com/ -- [Openforce](#), the leading software technology platform for managing commercial relationships between contracting companies and their 1099 independent contractor (IC) workforce, today announced that Doug Grawe has joined the company as General Counsel.

Mr. Grawe comes to Openforce with extensive legal experience in the transportation industry, having spent most of his career as the General Counsel for Dart Transit Company, where he managed the trucking company's owner-operator models. Mr. Grawe is a board member for the Minnesota Trucking Association and Chair of its Government Affairs Committee. He is also active

on a variety of policy issues impacting the transportation industry, most notably protecting the rights of drivers to choose independence or employment. Mr. Grawe has authored several trade articles on the independent contractor issue and submitted amicus briefs to the U.S. Supreme Court to protect the rights of drivers and carriers to choose.

“

Doug's legislative experience in the transportation industry is not only a benefit to Openforce clients, but also to the 1099 workforce market broadly.”

*Wendy Greenland, Openforce  
CEO*

“We have known Doug for years, including as an Openforce client at Dart. The executive team is confident Doug has the expertise to help us move to the next level of growth and success,” said Wendy Greenland, CEO of Openforce.

“His legislative experience in the transportation industry is not only a benefit to Openforce clients, but also to the 1099 workforce market broadly.”

“Transportation is arguably in its greatest transformation in generations,” said Mr. Grawe. “Technology is quickly and substantially changing transportation operations. Openforce plays an integral role in this by providing technology tools for these businesses to make administrative and compliance tasks easier and more efficient. I’m excited about Openforce’s vision in leading transportation companies through this transformative time.”
