Rock Hash Launching Online: Trade To Win BTC, ETH, DCC

LOS ANGELES, CALIFORNIA, UNITED STATES, November 15, 2021 /EINPresswire.com/ -- On October 16, 2021, the ROCK HASH official website was newly launched. The new official website adopts a brand-new UI design, launches new products, new functions, and new services to give users a more convenient platform experience.

To celebrate the new launch of the official website, ROCK HASH officially planned a 30-day online welfare event. Through four major welfare activities, global users will join the ROCK HASH carnival.

ROCK HASH launches welfare activities

After ROCK HASH goes online, we will report the 30-day online welfare activities. The activity time is from 00:00 on October 16, 2021 to 24:00 on November 15, 2021. Four major welfare activities are provided to prevent users from The threshold opens the ROCK HASH mining journey. Let us take a look at the four major benefits.

Benefit 1: Buy any product and present [DCC](#) as a gift During the activity, users can enjoy airdrop DCC when

buying a full range of ROCK HASH products.

Benefit 2: Register to win value-added products

During the activity, new users will be presented with the [BTC](#) shared server 180-day computing power products for free after registration (free of electricity charge).

Benefit 3: Check in to receive benefits
During the activity, log in the platform and check in continuously for 7 days and present the 7-day [ETH](#) single M computing power. 30 DCC will be presented after checking in continuously for 30 days.

Activity description:

During the activity, you can repeatedly participate in the activity for checking in continuously for 7 days; Supplementary signing can be performed for Benefit 3 activity. The supplementary signing each time will consume DCC, and the total consumption of supplementary signing = $0.5 * \text{times DCC}$.

Benefit 4: Invite to win DCC

During the activity, the invitation code will be automatically generated in "account settings" when the user completes registration. The user can use the invitation code to invite others to register accounts. If the number of the invited people reaches the specified number, the corresponding DCC reward will be given.

Activity description:

Invite friends directly at Level 1.

The number of the invited registrants must be ≥ 5 so as to obtain the corresponding rewards. When inviting others to register accounts, new users need to fill in the invitation code of the inviter, otherwise the number of new invitees will not be counted.

□The number of DCC presented in the table is the total number, including the value corresponding to the total number of previous invitees.

During the activity, registration of false users, click farming, virtual IP registration and other behaviors shall be prohibited. Once found, the account will be permanently cancelled immediately.

Reward distribution: Distributed immediately (after system review)
