“

We're excited to see our customers' responses to these new additions, especially after watching how much they've loved our other flavors.”

of Cajun Pop*

Crisp and tangy, the Creole Pickle popcorn brings a snap of dill flavor with a kick of creole seasoning for a classic, crunchy snack. On the other hand, the Southern Ranch popcorn proves everything is better with ranch, combining a creamy mix of cheesy buttermilk flavor with a spicy blend of salt, garlic, onion, and herbs.

These savory popcorns join Cajun Pop's full parade of flavors including King Cake, Boiled Crawfish, Pecan Pie, Chocolate Pecan Pie, Dat Cheddar, Kickin' Caramel, New Orleans Beignet, and Bananas Foster.

Mike Coates, Founder and CEO of Cajun Pop, says, “We're excited to see our customers' responses to these new additions, especially after watching how much they've loved our other flavors. Both the Creole Pickle and Southern Ranch popcorn have a Cajun spin fit for Louisiana and hold the potential to be loved nationally.”

With a mix of classic, delicious southern flavors to choose from, Cajun Pop popcorn makes perfect stocking stuffers and holiday gift baskets to share with friends and family both in and

outside of Louisiana.
