LOS ANGELES, CALIFORNIA, UNITED STATES , November 11, 2021 /EINPresswire.com/ -- Susan Estrich, a premier lawyer and author, has been chosen by the "Best of Los Angeles Award" community as one of L.A.'s Most Fascinating People, according to Aurora DeRose, award coordinator for the "Best of Los Angeles Award" community.

"As a premier lawyer and author, Susan Estrich has earned a place on L.A.'s most fascinating people list," said DeRose.

The "Best of Los Angeles Award" community was formed six years ago and consists of over 7,600 professional members living and working in Southern California. It celebrates the best people, places, and things in Los Angeles with the slogan "No Ads. No B.S. Only the Best."

"The mission of the community is to celebrate the best of Los Angeles and allow its community members to connect with other members who share the highest standards of quality and integrity," expresses DeRose. "We're honored to include Susan Estrich into our BoLAA family."

Susan Estrich is a lawyer, professor, author, political operative, and political commentator. She is known for being the first woman to manage the presidential campaign of a major party nominee, Michael Dukakis, in 1988. Additionally, Estrich served as the legal counsel for Roger Ailes in 2016. Susan is a successful, pioneering legal scholar and feminist in a male-dominated industry.

Susan is very outspoken on the under-representation of women, especially in politics. In several of Estrich's books, including *Sex & Power* and *The Case for Hillary Clinton*, she discusses her experience as a survivor of rape. Her book *Real Rape* talks about the history of rape law in the United States. She coined the phrase "nuts and sluts defense" to describe the demeaning ways female accusers are portrayed in rape cases.

She is currently a law and political science professor at the University of Southern California School. Prior to USC, Susan became one of the youngest women in Harvard University's history to receive tenure. In 2008, Estrich joined Quinn Emanuel Urquhart & Sullivan, LLP, a law firm based in Los Angeles. She chaired their Public Strategy in High Profile Litigation: Media Relations practice area. In October 2018, Estrich joined Boies Schiller Flexner LLP as a partner in its Los Angeles office.
