

# The TalentHole a New Service Advocating for The American Workforce is Launching

*Why has working in America gotten so difficult? The TalentHole will highlight the darkest side of employment to advocate, deliver solutions, and make an impact.*

SANTA MONICA, CALIFORNIA, UNITED STATES, November 12, 2021

/EINPresswire.com/ -- [The TalentHole](#) will provide unabridged, unapologetic, uncensored, unequivocal, unhinged, unjust, and completely humor filled employment related stories.

The mission is to bring hope and wisdom to the American Workforce; by making fun of [TalentHoles](#) (employers, employees, and recruiters too) the people responsible for making it more difficult than, it needs to be [happily employed in America](#).

“

Tired of not getting ahead in life, work at a Talenthole, for a Talenthole (boss), or with Talentholes (co-workers)? We share stories to highlight what is wrong with working in America.”

*Carlos Advocate for the American Workforce*

According to TheTalentHole Advocate, Carlos Cymerman "In 2008, I launched SaveUSJobs.org advocating for The American Workforce, and in 2011, I launched a blog called 'TalentHole' purely for entertainment value. Inspired by a conversation with Scott Lonis (Talented US Tech Professional); I combined both SaveUSJobs and TalentHole to be a humor and value-filled resource; more impactful and relevant... than ever before!"

What is Happening in the US Labor Market?

1. Companies have many open positions.
2. Dissatisfied employees are quitting and there is high turnover.
3. And there is a fair amount of age discrimination occurring too.
