construction, and hospitality. Their development division supports equitable manufacturing, community, workforce, and economic development. MRV Group will lead national supplier diversity and community development efforts with Altor Safety.

The combined efforts of this contract will provide the following commodities to New York State agencies, local governments, schools, hospitals, and nonprofits. They include: Respirators (N95 & PAPR), Masks (Surgical, Clear View & Non-Surgical), Face Shields & Goggles (Medical & Non-Medical), Gloves (Vinyl & Nitrile), Gowns & Coveralls (Isolation, Surgical (Disposable & Reusable) & Coveralls), Covers (Shoe/Boot & Hair), Hand Sanitizer (Ethyl Alcohol & Isopropyl Alcohol), Disinfecting Wipes (Disinfecting & Isopropyl Alcohol) and Fit Test Kits. These contract opportunities alleviate product shortages due to supply chain issues that could lead to unfair pricing practices. These companies will also increase the State's manufacturing capacity while creating new jobs and market opportunities.
