

Virtual Series to Help Homeowners with Infrastructure Issues Starts on November 11

Mosaic Genius is launching a virtual series of conversations. The series will present innovative strategies to support homeowners facing infrastructure issues.

CHICAGO, UNITED STATES OF AMERICA, November 11, 2021 /

EINPresswire.com/ -- Virtual Series to Help Homeowners with Infrastructure Issues Starts on November 11

Mosaic Genius, a social impact agency, is launching a virtual series of conversations – “Investing In Infrastructure Series (Innovative & Equitable Clean Water Solutions)” - in Chicago, Illinois on November 11 at

9:30am Central Standard Time (CST). The series, funded by the MacArthur Foundation, will present innovative strategies to support homeowners facing infrastructure issues.

“After 22 days without running water, I fixed my mind and heart on this issue,” Christal Jackson, the founder of Mosaic Genius and Head and Heart Philanthropy said. “Everyone deserves access to clean water and homeowners with lead lateral pipes are at a disadvantage because of the costs – clean water is a moral issue.”

“

Everyone deserves access to clean water and homeowners with lead lateral pipes are at a disadvantage because of the costs – clean water is a moral issue.”

Christal Jackson

Leading experts in the area of clean water infrastructure, homeownership and community building will join Jackson for this series. The series of conversations will consist of three dates:
