agreed to repay loans to over 1400 consumers. Stoyanova achieved the 'David vs Goliath' victory, sending shockwaves throughout both the timeshare and finance industries, and giving hope to hundreds of thousands of 'pressure sold' consumers. The loans are cancelled and all payments made to be reimbursed with 8% simple interest

Not just numbers

"With the huge numbers involved, it's easy to forget the individual effects that Ms Stoyanova's hard work has on these client's lives," says Andrew Cooper, CEO of [European](#)

[Consumer Claims](#). "€48 million in money recovered for the consumers involved is a colossal

figure and the timeshare legal community is in awe of Adriana for defeating the mighty Barclays, together with the Azure Support Group.

"These are real people, and the effect on their lives has been extremely dramatic in many, many cases"

Charles Ribbeck

One such client was Charles Rebeck. Charles had lost his wife to cancer and shortly afterwards lost his job too.

Charles was bringing up two daughters on his own under incredible pressure and the Barclays loan he had been sold by the unlicensed, high pressure salespeople of Azure was crushing him.

Charles found M1 Legal, and Adriana who promised to help. Charles admits to having had a degree of scepticism, and that in heart of hearts he believed he would be stuck paying the entire £24,600 loan. In June 2021 he got the great news that Barclays would be cancelling his debt.
