

Artist BENZO Is Working on New Music and NFT Projects

Multifaceted artist BENZO is working on a variety of new art

N/A, PENNSYLVANIA, USA, November 11, 2021 /EINPresswire.com/ -- BENZO is an artist, producer, and audio engineer from Philadelphia PA. His sound straddles the line between R&B and Pop, while also reeling in inspiration from Hip-Hop, Synthwave, Lo-Fi, Punk, Alt-Rock, Pop-Rock, and more. Thematically, BENZO's music echoes stories of lost love, regrets, depression and anxiety, while juxtaposing somber lyrics with an upbeat production style. BENZO is currently working new music, as well as being involved with various NFT projects online.

While BENZO is known for his music, the artist is also taking time for projects in the digital art and NFT community, recently working closely with the Happyland Gummy Bears NFT project. Of late, the spectacle and medium of digital art, and NFT's, have truly inspired BENZO. The artist has a long running history with researching crypto, and being involved with forums and social networks online since he was a child. BENZO's main platform is [Twitter](#), where he shares his thoughts, and takes part in Twitter talk spaces. BENZO's recent release "CAN'T STOP" received praise from fans and friends alike, amassing nearly 10k streams. BENZO also has songs such as "LOST" and "in my head", which gained nearly 50k streams since their release.

By 2022, BENZO will be releasing new music and digital art projects, including but not limited to: music, digital art, NFT's, virtual reality, and more.

Be sure to keep an eye out for this multifaceted artist's new projects!
