

Free Fire Diamond Pins Turkey & Europe Released On OffGamers

SINGAPORE, November 12, 2021

/EINPresswire.com/ -- [OffGamers](#) has

recently added [Free Fire](#) Diamond Pins Turkey and Europe to their online catalogue, targeting the EU region.

Free Fire is very popular within the European and Turkey region and we hope that the diamond pins for the European servers can provide a convenient platform for them to top up their funds.”

said Alfred Lee, Business Director of OffGamers.

The pins can be used by players to redeem Free Fire diamonds which is the in-game currency of the game. These diamonds are primarily used to make in-game purchases to enhance players’ gameplay experience.

Free Fire was released in 2017 as a battle royale mobile game for both the iOS and Android.
