EINPresswire.com/ -- Representatives with [All Things New](#) (ATN) Construction announced today that its President Richie Breaux has been named one of Kitchen and Bath Business (KBB) Magazine's People of the Year for 2021.

"I consider it an honor and privilege to be named one of BKK's people of the year," said Richie Breaux, president and spokesperson for ATN Construction, a company listed on the Inc. 5,000 list of the sharpest, smartest, fastest-growing companies in America.

ATN Construction, which was awarded the Hawaii Home and Remodeling Top Builder Award for 2019 and 2020, according to Breaux, is a motivated and dedicated team of estimators, project managers, field engineers and competent workers, and expertly skilled tradesmen who will be its customers' partners in the development of their project.

Regarding being named one of KBB's people of the year, the magazine, owned by Emerald Expositions, sends more than 100,000 subscriptions to kitchen and bath designers, architects, custom builders, and remodelers each month. The magazine delivers exclusive features on cutting-edge design installations, new products, business developments, industry personalities, best practices, and solid market research.

accomplishment to a list of other recent accomplishments for Breaux, including creating a virtual reality design lounge so homeowners can see actual renderings of their project that he says provides them with a real sense of space and flow.
