EINPresswire.com/ -- According to the  
new market research report '[Catering  
Services And Food Contractors Global  
Market Report 2021](#): COVID-19 Impact

And Recovery' published by The Business Research Company, the catering services and food contractors market is expected to grow from \$234.56 billion in 2020 to \$251.82 billion in 2021 at a compound annual growth rate (CAGR) of 7.4%. The growth is mainly due to the companies rearranging their operations and recovering from the COVID-19 impact, which had earlier led to restrictive containment measures involving social distancing, remote working, and the closure of commercial activities that resulted in operational challenges. The market is expected to reach \$328.11 billion in 2025 at a CAGR of 7%. The catering services and food contractors market growth is aided by stable economic growth forecasted in many developed and developing countries.
