

# Increasing Petrochemical Industries In Europe Surges The Demand for Recuperative Air Preheaters Market : Fact.MR

*Industrial air preheater market and finds that the market would exhibit growth at a value CAGR of ~3.7% during the forecast period.*

ROCKVILLE, MARYLAND, UNITED STATES, November 12, 2021 /EINPresswire.com/ -- Global sales of industrial air preheater reached ~ 450 units in 2018, as disclosed by the new research study by Fact.MR. According to the report, the industrial air preheater market is predicted to grow by ~3.2% YoY in 2019, primarily influenced by the prominent players investing in manufacturing operations in the global industrial air preheater landscape.

According to the research, increasing center of attention on new developments and demand in various end use sectors is subsidized to enhance revenue generation of industrial air preheater market through 2029. Coal-fired plants and other industries' expansion around the globe, will also continue to provide a stimulus to the sales of industrial air preheater in 2019 and further.

Industrial air preheater is witnessing a significant growth in demand. The regenerative type of air preheater dominates the market, as it is used in thermal power plants and chemical industries where the large capacity boilers are installed. Besides, the regenerative type of industrial air preheater offers easy replacement of components and weighs significantly more than the recuperative industrial air preheater. Increasing demand for fuel has influenced an exponential growth of petrochemical industries, which is foreseen to create ample opportunities for industrial air preheater market in the years to come.

## Key Segments of the Industrial Air Preheater Market

Fact.MR study on the industrial air preheater market offers information divided into three important segments- Product, End use and regional analysis. This report offers comprehensive data and information about the important market dynamics and growth parameters associated with these categories.

Product□

Regenerative air preheaters

## Recuperative air preheaters

### End Use□

- Thermal power plants
- Steel industries
- Cement industries
- Chemical industries
- Food industries
- Pharmaceutical industries
- Others ( Textile, Refinery)

### Region□

- North America
- Latin America
- Europe
- East Asia
- South Asia
- Oceania
- MEA

A comprehensive estimate of the Industrial Air Preheater market has been provided through an optimistic scenario as well as a conservative scenario, taking into account the Sales of Industrial Air Preheater during the forecast period. Price point comparison by region with the global average price is also considered in the study.

The Market survey of Industrial Air Preheater offers a comprehensive analysis of diverse features, including production capacities analysis of Industrial Air Preheater, demand, product developments, revenue generation, and Size of Industrial Air Preheater Market across the globe.
