

The Book Launching

"From Kabul to Peshawar" written by Khalil Rhamani

LOS ANGELES, CALIFORNIA , UNITED STATES, November 12, 2021 /EINPresswire.com/ -- Author Khalil Rahmani is proud to announce the release of his book entitled "From Kabul To Peshawar". In his book, he narrates his misfortunes, hardships, and "miraculous" experiences when he was still 16yrs old.

Rahmani was originally from [Afghanistan](#) when it was still known as one of the safest countries in Asia. During this journey, he comes to know the ugly truth about this [war](#) between the East and the West.

This story is an example of how war destroys standards, how it deprives humans of morality and values, and how violence creates tensions that corrupt and wound both the present and future generations to come.

After having experienced walking night and days, with not enough money, and knowing nothing about different languages, Khalil Rahmani is convinced that every 16-year-old has the right to live and to do whatever it takes to survive.
