

ITpipes Receives Esri IMGIS Award

ITpipes receives the award in the Water Asset Management category

PALM SPRINGS, CA, UNITED STATES, November 16, 2021 / EINPresswire.com/ -- ITpipes (Infrastructure Technologies, LLC), the most trusted, user-friendly platform available to manage municipal wastewater collection systems, announced today they have received a 2021 Esri IMGIS Award in recognition of its Asset Management integrations with Esri's GIS mapping software. The award was announced at Esri's 2021 Infrastructure Management GIS (IMGIS) Conference in Palm Springs, CA.

ITpipes Receives Esri IMGIS Award

"ITpipes has doubled down on our Esri [partnership](#) alignment these past years, and we're thrilled to be recognized," said Mark Grabowski, Business Development Manager, ITpipes. "We count

“

ITpipes has worked diligently to integrate with Esri and in doing so provides our customers with solutions that grow the value of their GIS and support organizational goals.”

Christa Campbell, Director Industry Solutions: Water, Esri

Esri as a close industry partner, giving our clients the power to take their ITpipes underground pipe inspection data and create infinitely more powerful analytics by utilizing Esri mapping.”

“ITpipes has worked diligently to integrate with Esri and in doing so provides our customers with solutions that grow the value of their GIS and support organizational goals.” said Christa Campbell, Director Industry Solutions: Water, Esri. “It’s been a pleasure working with them over the years.”

ITpipes is an Esri Partner Network Silver partner and listed on the Esri ArcGIS Marketplace. The ITpipes software platform consumes Esri map products and enhances workflows and processes. This allows the software to meet the diverse needs of state and local municipal agencies, as well as private contractors in the US.

“We are beyond thrilled to receive this recognition” said CEO, Cori Criss. “The entire ITpipes team – from development to sales – recognizes the value of such a close partnership with Esri and has worked to align our products seamlessly. This award is the result of those efforts”.
