

# Bronson Barna Donates to Many Humane Society Locations Around the World

*Bronson Barna discusses why he donates to numerous Humane Society locations around the globe*

LOS GATOS,, CA, USA, November 15, 2021 /EINPresswire.com/ -- [Bronson Barna has been an](#) avid volunteer for years. He recently discussed why he has chosen to donate to Humane Society shelters around the globe.

"I appreciate all the Humane Society does for animals in need," Barna said. "They fight for all animals in ways that are far beyond what you see at local Humane Society shelters."

[Bronson Barna explained that](#) Humane Society organizations are constantly fighting major issues regarding animal safety. These include stopping puppy mills, improving the lives of farm animals, ending the use of animal furs as clothing, and more. The goal is to ensure animals are treated kindly, no matter where they are in the world.

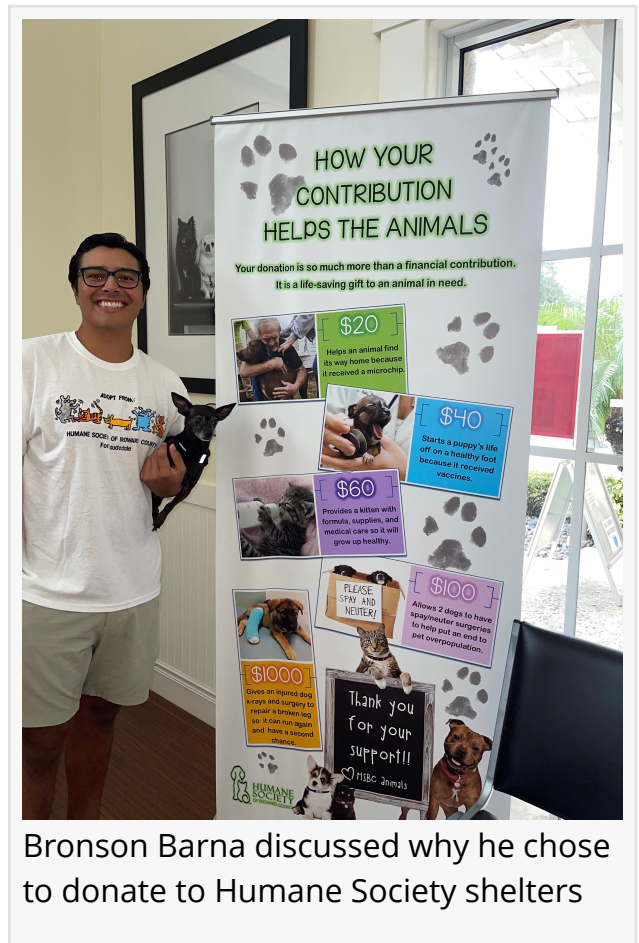

The Humane Society of the United States has been fighting animal cruelty since 1954. We often think of the Humane Society as an organization for dogs and cats, but it's actually actively fighting for all animals at all times. Humane Society organizations around the country and the globe care for about 100,000 animals every year.
