“

The Cisco Partner Summit Regional Awards recognize our customer focus and dedication in developing innovative solutions that serve the ever-changing business needs of our customers.”

John C. Harris, President & CEO of Aspire

Harris, President & CEO of Aspire accepted the awards on behalf of the company, which was recognized for its innovation in achieving customer success across a wide range of solutions involving Cisco technologies.

“The Cisco Partner Summit Regional Awards recognize our customer focus and dedication in developing innovative solutions that serve the ever-changing business needs of our New England and Upper Mid-Atlantic regional customers,” said Harris. “We appreciate Cisco’s strong partnership and support in helping us achieve our customer’s business goals.”

As a Cisco regional partner, Aspire invested early into development of its Customer Success and Lifecycle Practice, earning it the Cisco Advanced CX Specialization and Master Networking Badge earlier in the year. Aspire’s team was also recognized recently with a [WebexOne award as a Rising Star](#) for its investments in Advanced Customer Experience and advanced IoT specializations, reflecting its collaboration initiatives focused on remote and hybrid work that has generated tremendous success for customers in state, local, and education (SLED). As one of Cisco’s top collaboration partners in the SLED space, Aspire has discovered innovative collaboration and healthcare use cases serving state agencies and education institutions.

About the Cisco Partner Summit 2021 Awards

The Cisco Partner Summit awards are earned by top-performing partners within specific technology markets across different theaters, areas and regions.
