Located in Ivanhoe Village, one of Orlando's Main Street districts, the brewery has been open since 2018 and entered distribution later that year in Central Florida with City Beverages. They are looking to add more distributors in the first quarter of 2022.

This new partnership with the Florida State Parks Foundation will allow Ivanhoe Park Brewing Co. to brew an amazing Florida Lager that will be easy drinking and 4% ABV to be enjoyed throughout the State of Florida.

The Foundation, founded in 1993 as Friends of Florida State Parks and renamed in 2018, is a 501(c)(3) nonprofit corporation whose mission is to support and help sustain the Florida Park Service, its 175 award-winning parks and trails, local Friends groups and more than 20,000 park volunteers.

It does this through programs that preserve and protect state parks, educate visitors about the value of state parks, encourage community engagement and active use of state parks, and advocacy.

The volunteer Board of Directors represents private and public sectors as well as local and statewide interests.
