

Justin Lapington Promoted to Chief Financial Officer at Electrosoft

RESTON, VIRGINIA, UNITED STATES,
November 16, 2021 /

EINPresswire.com/ -- [Electrosoft Services, Inc.](#), an award-winning federal IT and professional services firm specializing in cybersecurity, today announced the promotion of [Justin Lapington](#) to the role of Chief Financial Officer. He is responsible for the finance, contracts and human resources functions, with a focus on aligning the company's strategic growth initiatives.

Lapington has deep finance experience in the government contracting sector and served as a financial consultant to Electrosoft before joining the company as vice president of finance in September 2020. He steered the successful implementation of a new enterprise resource planning system, expanded the finance team and resources, and instituted process improvements that delivered greater operational efficiency and transparency.

“Justin has been instrumental in building and maturing our back-office teams, systems and processes,” said [Dr. Sarbari Gupta](#), CEO of Electrosoft. “I am proud to appoint Justin to the role of CFO, recognizing his leadership and expertise in facilitating the company's growth journey.”

Lapington has more than 25 years of industry finance experience, with specialty areas of federal contracting, audits, and mergers and acquisitions. Prior to Electrosoft,

he served in financial leadership at Preferred System Solutions, where he oversaw financial

operations for the firm's government services, accounting for more than \$150 million in annual revenue.

"Knowing that Electrosoft has never taken on debt in its 20-year history, I was impressed with the company and its leadership even before joining the team," said Lapington. "It's an honor to assume this new role and to be a part of all that's next for Electrosoft."

Lapington holds a degree in accounting from Centenary College of Louisiana.
