SANTA ROSA, CALIFORNIA, UNITED STATES, November 24, 2021

/EINPresswire.com/ -- Key Housing, a

top-rated corporate housing service for

California from Sacramento to San Diego at <https://www.keyhousing.com/>, is proud to announce its featured complex for December 2021 for Sonoma County. Each month the company identifies two best-in-class properties to alert corporate travelers as to some of the top-rated properties in California for short term [rentals](#).

“

Living in Sonoma County is, to be honest, living the California dream.”

Bob Lee

“Living in Sonoma County is, to be honest, living the California dream,” explained Bob Lee, President of Key Housing. He continued, “Corporate types lucky enough to be assigned a short term assignment in Sonoma County and in communities such as Santa Rosa are at first overjoyed at the work. Then, they may be troubled by how

hard it is to find corporate rentals. Fortunately, our team knows where and how to look.”

Interested persons can view the featured Sonoma County listing at

<https://www.keyhousing.com/corporate-rental-properties/shadow-creek/>. That information page explains the reasons that the property won the coveted December 2021 designation for Sonoma County. These tastefully elegant apartment homes are set in a charming setting of redwoods, lushly landscaped gardens and meandering waterways to create a peaceful retreat. Once corporate travelers browse the floor plans and explore the community, they'll appreciate how Shadow Creek's welcome retreat helps make every day a little better. Corporate travelers can relax by the swimming pool on the sundeck with their latest audio book download or catch up on “must see TV”, work out in the community fitness center, grow vegetables in the community garden, or get their steps in walking to nearby Howarth Park. Should this property not be a perfect match, intrepid Internet travelers can click up to the Santa Rosa listing page at

KNOWLEDGE IS POWER

Here is background on this release. California is powerfully bouncing back after the Pandemic, especially now that International travel to the United States is open for business. Not surprisingly, more and more corporate travelers are coming to Northern California and excited to partake in the rich lifestyle that the Bay Area is famous for. That excitement, however, quickly can give way to concern as finding hard-to-find corporate rentals in a city like Santa Rosa or a county like Sonoma isn't easy. But, as they say, "knowledge is power," and a connection to the team at Key Housing means that the busy business traveler has "inside knowledge" on where to look and find hard-to-find corporate rentals in Sonoma County as a whole or Santa Rosa in particular.
