“

This is just the start of our journey with Hollywood productions. We look forward to creating history by collaborating with the entertainment industry and welcoming them on Abris.io NFT storefront.”

Priya Samant, CEO, Abris.io

Indian American Filmmaker Mukesh Modi will launch the premiere of a three-time award-winning dramatic family film "The Elevator" starring Oscar Nominee Eric Roberts via Amazon on November 18th and limited tickets for Premiere show including Meet and Greet with the cast are sold as NFTs on the Abris.io NFT Store Front.

First ever for a Hollywood Premier tickets sold as NFTs on Abris.io Storefront.

From its star-studded cast to the award-winning storyline and rollercoaster ride of drama and suspense, “The Elevator” has been at the forefront of global headline news and now set to release via Amazon on November 18th.

Starring Eric Roberts and Eugenia Kuzmina, “The Elevator” takes audiences on an emotional journey when a seemingly exciting birthday weekend quickly evolves into one family’s biggest fear when their dad goes missing after stopping by the office that morning.

“This is just the start of our journey with Hollywood productions. We look forward to creating history by collaborating with the entertainment industry and welcoming them on Abris.io NFT storefront to Mint, Sell, Buy and Discover Green NFTs”, said Priya Samant, CEO, Abris.io

“Life is like The Elevator, it's always Up and Down, Life is about family. I am excited about the release of my first Hollywood film and the launch of Premiere tickets with meet and greet stars as NFTs on Abris.io”, said Mukesh Modi, Producer & Filmmaker The Elevator.
