

# EC-Council Awards ACI Learning with 2021 Training Center of the Year

DENVER, COLORADO, USA, November 17, 2021

/EINPresswire.com/ -- ACI Learning has been awarded [2021 Training Center of The Year Award for North America](#) by EC-Council, an organization dedicated to building and refining the cybersecurity profession globally.

The annual awards program by EC-Council is designed to showcase the qualities and capabilities of EC-Council's top partners and instructors and provide an excellent quality benchmark for the rest to improve upon. The awards set apart the very best training partners and instructors against the rest.

ACI Learning offers training for the CEH Certification from EC-Council as part of its [Information Security Analyst Program](#). This four-week cyber security IT certification prep program is designed to help individuals get jobs as Information Security Analysts or related roles including Cyber

Security Specialist, Information Security Auditor, Site Security Administrator, and more. Training for the CEH Certification is also part of the Cyber Security Specialist Program at ACI Learning.

“

This recognition from EC-Council is a testament to the work being done in the ACI Learning Hubs every day to educate the IT and cybersecurity professionals needed for the global workforce.”

*Brett Shively, CEO, ACI Learning*
