

Prime IV The District Informs South Jordan Residents on Acid Reflux

For over 60 million American's acid reflux disorder is an ongoing struggle.

SOUTH JORDAN, UTAH, UNITED STATES,
November 17, 2021 /

EINPresswire.com/ -- For over 60 million American's [acid reflux disorder](#) is an ongoing struggle. Symptoms range from anything from chest and abdomen pain to difficulty swallowing, or the regurgitation of acidic liquid.

“Many people don't realize that a simple increase in vitamins can often help those who suffer from acid reflux disorder,” said Alex Cannon, owner of Prime IV The District. “However, using supplements to aid acid reflux disorder only works as well as our body's capacity to absorb nutrients. IV remedy offers 100% absorption of the supplements that can offer lasting relief.”

“

Many people don't realize that a simple increase in vitamins can often help those who suffer from acid reflux disorder.”

Alex Cannon, owner of Prime IV The District.

While there are a few prescription and over-the-counter treatments for acid reflux disorder, they are known to result in a few unpleasant side effects including:

- [Vitamin B-12](#) deficiency
- Diarrhea
- Low magnesium
- Kidney damage

- Swelling of the abdominal lining

This is why increasing numbers of people are embracing [IV therapy](#) to battle acid reflux. Many reports have shown a solid relationship between an increase in supplements and a reduction in acid reflux disorder symptoms, while contributing no major side effects mentioned previously.

The very best vitamins for battling acid reflux disorder are:

- Vitamin A
- Vitamin B
- Vitamin C
- Vitamin E

Prime IV offers several drips that are filled with these vitamins that are designed to maximize health advantages while providing 100% absorption. These streamlined IV's skip the digestive system and start to saturate your blood with one of these much-needed supplements in under an hour. Once these vitamin levels have been raised to a sufficient level, often they could be taken care of through lifestyle and diet changes.
