Cantor Rev Misha Joy has recorded and produced a series of Hebrew and English prayer albums with original melodies to unite Christians and Jews, all of God's children as One. Bringing Christians back to their Jewish roots, learning the prayers that Jesus prayed.

Cantor Rev Misha Joy has been chanting prayers her entire life. God's words are the source of our creation. Her mission is to share God's words with those who do not know them, to heal those who are in need, to spread God's love and unite God's children as one. Cantor Rev Misha Joy has her own ministry where she counsels full time, as well as officiating and leading worship services as a cantor and reverend for her synagogue. "The chants and prayers resonate within my soul. My heart desires to share them profoundly with the world and share God's love for his children. May we join together with love and devotion and create a pathway of purity for our Messiah to come now."

Her mission, World United in Prayer™ will be taking 1/3 of the profits from Ave Maria Records and using them to develop Ave Maria Homes for God's Children.
