Giddel, [Toilet](#) Cleaning Robot  
Giddel is the world's first portable toilet cleaning robot and a winner of the TWICE Picks Award at the Consumer Electronics Show (CES) 2018. Giddel cleans all the toilets at home. Giddel is just plug & play and walk away. After a one time installation of a mounting bracket under the toilet seat and placing the regular toilet cleaning liquid in the bowl, Giddel cleans systematically from the top of the rim, the inner rim, under the rim and the entire toilet bowl in about 5 minutes. Giddel has an antimicrobial body and is suspended over the toilet when cleaning, so Giddel stay hygienic. Giddel is a great aide for seniors, when toilet cleaning becomes difficult due to back, knee, ankle, neck pain and injuries. Various health conditions can cause chronic or persistent diarrhea which require a higher toilet cleaning frequency than janitorial services can provide. Some diarrhea inducing conditions include crohn's disease, colitis, celiac disease, gastroenteritis, inflammatory bowel syndrome,
