About the UNCAGED Cast:

John Reinke: After Texas native John Reinke had both legs amputated below the knee due to complications resulting from a horrible zip line accident, he became the manager of G.W. Zoo and long time friend of Joe Exotic. John appeared in 7 episodes of Tiger King and it was apparent, to everyone who watched, that he was the glue that held G.W. Zoo together.

Saff: After 6 years in the U.S. Army, Saff was able to fulfill his life-long passion for big cats by working for Joe Exotic's G.W. Zoo for the next 8 years. An experience that landed him a role in nearly every episode of Tiger King and resulted in the amputation of his left hand.

Josh Dial: With a passion for politics and a huge heart Josh took on his dream job. Unfortunately he soon realized it was a nightmare he couldn't wake up from. The tenacity in which he possessed to keep Joe Exotic on the path for the Governor's office in Oklahoma was nothing short of impossible. Can you imagine the stress of running that campaign? Josh can, and he will explain it all with stories you have to hear to believe.

Barbara Fisher: At the age of 19, Barbara Fisher chased her passion for big cats by going to work as a 'full-time volunteer' for Doc Antle. From her own account, a topsy-turvy ride that lasted 8 years before ultimately deciding she needed to leave.

Moderator Todd McComas: Todd McComas is a standup comedian and retired police detective. He's a former cast member of Barstool Sports and The Pat McAfee Show and now hosts the true-crime podcast 10-41 with Todd McComas and co-hosts the 4 Life Podcast and FUNTOWN. Todd also directed and starred in the documentary Defending The Kingdom: A Conversation with Tim Stark and is a regular guest on The Bob & Tom Show.
