LONDON, NON UNITED STATES OR CANADA, UNITED KINGDOM, November 18, 2021 /

EINPresswire.com/ -- With just two weeks to go before until the 14th Annual [Energy](#) from Waste Conference, convening on 1st and 2nd December 2021 in London, UK, [SMi Group](#) are proud to announce Novalux as a sponsor for the event.

The two-day conference will provide the perfect platform to build new partnerships to advance projects and hear the latest technological developments from industry expert presentations and discussions focusing on [Energy from Waste](#).

Interested parties can register at <http://www.efw-event.com/PR7EIN>

SMi Group are delighted to announce that Novalux as a sponsor for the Energy From Waste conference.

Who are Novalux?

Novalux Energy install Waste-to-Energy systems, Organic Rankine Cycle (ORC), RDF fuelled boilers and Solar PV for multinational companies and small businesses alike. Having been established in 2010 Novalux works to help businesses benefit from installing renewable technology. As the largest installer of distributed renewable heat and power systems in the UK with our own installation team, Novalux help our customers to identify the correct technology

A promotional poster for the "ENERGY from WASTE 2021" conference. The background is a night-time photograph of an industrial facility with a tall chimney and buildings, reflected in a body of water. The text is overlaid on the image. At the top, it says "SMi Presents the 14th Annual Conference...". Below that, the title "ENERGY from WASTE 2021" is written in large, bold, yellow and white letters. Underneath the title, it says "London, UK". To the right, there is a yellow-bordered box containing the text "1st - 2nd DEC 2021". At the bottom left, the website "www.efw-event.com" is listed. At the bottom right, there is the SMi logo, which consists of the letters "SMi" next to a stylized arrow graphic.

for their business and offer turn-key installation.
