The Alkebu-lan Village [All Star Revue](#) will inspire the crowd by hosting and performing a segment 100% conducted by the village youth. One brick, one building, one block at a time.”

Priorities of major donors are subject to change to meet ever evolving societal shifts causing sources of program support to vanish without warning.

Alkebu-lan Village has proudly served the Detroit community for over 43-years and in the process has impacted over 250,000 children and families. The primary objective of this [fund raising](#) and fun raising activity is to highlight the importance of developing an endowment for the Alkebu-lan Village and take an initial step toward that effort. In addition, we hope to inspire the community to see the brilliance and beauty of the youth. Finally, through this fun raising event, the entire village ages 1 to 101, will come together and enjoy the occasion as an intergenerational gathering.
