“

This year we are thankful for so many things, and having reached this 20 year milestone makes it all the more special.”

“This year we are thankful for so many things, and having reached this 20 year milestone makes it all the more special. As a community we have come together time and time again to ensure that we are all taken care of, and that’s what this event is all about to us,” said Scott and Jodi Driscoll, owners of Watertown Ford Chrysler, in a joint statement.

The dealership, which is well-known in Watertown for the annual tradition, celebrates Thanksgiving by inviting everyone in the community to enjoy a traditional turkey dinner with all the fixings, and desserts. Everyone is invited. If you don’t have a place to go or aren’t going to be able to spend it with family or friends please join us. Last year Watertown Ford Chrysler served at least 1,000 people—the most it had ever served—during its annual celebration.

For community members unable to attend, the dealership will be taking orders for meals to be

delivered up until noon the Wednesday before Thanksgiving. To order please call the dealership at 605-886-5844.

Watertown Ford Chrysler also announced that its sales and service departments will be closed on Thanksgiving.
